SUNDAY.....OCTOBER 12, 1884.

FOR PRESIDENT.

JAS. G. BLAINE,

OF MAINE.

FOR VICE PRESIDENT.

JOHN A. LOGAN.

OF ILLINOIS.

WORTHY OF THE PLACE.

The Reno Gazette says; "If manly qualities, quick perceptive faculties and honesty of purpose count for anything anywhere, they certainly do in politics. We lean to the belief that they ought to go even further in politics than in most other affairs of life, for while men in business are bound by right rules there is nothing but a man's own sense of honor to dictate his course in a legislative body. No one can look in Tom Laycock's honest face without feeling instinctively that he is a man to be trusted. He has lived long among us and no word was ever spoken against his character as a man or his actions as a citizen. Mr Laycock was a good soldier and has the patriotic instincts still strong within him. He needs no tying up to insure his neighbors of his entire devotions to their interests, which are his own also. If elected to the Legislature his acts will justify all that the platform promises. We have had occasion twice before to mention Mr. Laycock in connection with political office, and no word said then need be changed now. The last four years have simply shown that the good qualities he possessed when he ran for Recorder, and which were recognized by everyone, were lasting and permanent, giving a true index to the sterling character of the man. If the next Legislature has a majority of such men as he, the State of Nevada will have reason to rejoice, and the people should see that they make no mistake in the men appointed, in order that it may be done well and thoroughly."

THE SITUATION IN NEVADA.

The political situation in Nevada is full of encouragement to the Republicans. Reports from the various counties make it reasonably certain that Blaine and Logan and the State ticket will have majorities in Douglas, Ormsby, Esmeralda, Storey, Washoe, Churchill, Nye, Eureka, White Pine and Elko. The Democrats may carry Humboldt, Lander, Lincoln and Lyon. The Republicans are certain of the Legislature by a two-thirds majority. There are 60 members in all, and 51 to elect. Of the holdover Senators six are Republicans and three Democrats. Of the 57 members to be elected the Republicans will certainly elect 35, and possibly 40. The campaign will be pushed vigorously from this time on in order that a complete victory shall be obtained.

W. W. Corcoran, of Washington, has given for public purposes not less than $3,000,000, besides $1,000,000 devoted to charities, and he has remaining at least $10,000,000, as he is the largest real estate owner in Washington.

Mr. Vanderbilt must look to his laurels, for the Chinese banker Han Qua, of Canton, pays taxes on four hundred and fifty million dollars, and is the richest man in the world.

Belva Lockwood made three gollons of apple butter, baked a large batch of doughnuts and wrote her letter of acceptance all the same day.

The Norristown Herald suggests "The Old Oaken Bucket" as a campaign emblem of the St. John party.

The Republicans of Washoe are confident of electing the straight ticket.

The Washoe Republicans are wide-awake and active.

The New York Sun says: The Prohibitionists have set apart Wednesday, the 29th, as a day of humiliation, fasting and prayer, but if in place of a man of character, they had selected as their candidate a man whose life is shamefully impure; if, instead of a Prohibitionist, they had selected some half-measure weakling, on account of his popularity with their opponents, brewers, distillers and license men, a man of small knowledge, picayune ideas and gross personal habits—then each day since their convention would have been a day of humiliation to them. The Democrats have now had three months of humiliation, and repentance ought to come about the 5th of November.

The fight for Congress is growing warm in Louisiana. For the first time in many years a thorough, earnest canvass is being made. The Presidential question is rarely touched upon. The aim of the Protectionists in Louisiana is to secure nearly a solid Congressional delegation. The State is canvassed therefore for Congress rather than for President.

The Enterprise says: "Not a few good men and true are now on the Comstock with an eye open for the political sack, but it appears to be invisible. Even old Al Peck with his crooked stick could not locate it."

Churchill county will give Blaine and Logan a majority of 40. Churchill has generally been Democratic but she will wheel into the Republican line this time.

Nevada Republicans will make it lively the next three weeks. Blaine and Logan will carry ten of the thirteen counties, and have a majority between 720 and 1250.

Hurrah for Ohio!

Hurrah for Blaine and Logan!!

Hurrah for Jones and Hawley and Woodburn!!!

Blaine is doing the grand in Ohio. He is playing the best hand, and is himself the trump. Ohio is good for 10,000 majority.

The Carson Independent has resolved this year to vote the straight ticket.

By the Car Load.

Tom Barnett, the pioneer store keeper who is now in San Francisco, has made an immense purchase in that city and in the Eastern market of boots, shoes and gent's furnishing goods. He will be here in a few days with the largest and best selected stock of goods in that line ever brought to this market, and which he will sell at lower rates than any other house in the State. Hold your orders until you see his goods and get his prices.

Solar Eclipse.

On the 18th of October a partial eclipse of the sun will occur at 4:30 P. M. for the meridian at San Francisco, and will last four hours and twenty minutes. The middle eclipse will be visible at San Francisco just a little before sunset. No observatory east of the Rocky Mountains will be able to see it.

Other attractions should not cause anyone to overlook the Granite saloon, on Commercial Row. Those who get around on time to-day will find something worthy of the gods. You will never find George Becker behind his neighbors in anything.

Thyes & Co. will have a corps of mechanics at work next week making some changes and improvements in their place of business. They have one of the most attractive resorts in town and propose to keep it so.

Every man who wishes to vote at the coming election must have his name on the register next week.

For the first time in many months the county hospital is practically deserted.

Blaine will visit Nevada and California shortly after his election.

Secure your seat for the Nellie Boyd performance.

There are five patients in the county hospital.

Mr. Boles was very much better yesterday.

REPUBLICAN PLATFORM!

Adopted at the State Convention Held in Carson, September 4th, 1884.

The Republican party of Nevada in convention assembled deems it unnecessary at this time to supplement its platform of principles, adopted at the convention held at Virginia City, April 30, by adding anything further upon questions of national concern. It renews its adherence to the principles embodied in that platform, and to-day, fully confident of the success of the Republican party of the Nation in the coming Presidential election, congratulates the Republican voters of the State upon the selection by the Chicago Convention of their choice for standard bearer, that dauntless and resolute patriot and statesman, James G. Blaine, with General John A. Logan as his associate on the ticket. It adopts as an intelligible creed of political principles the platform of the last Republican National Convention, the triumph of which principles it believes will insure a renewed era of national progress and prosperity. In the political campaign which has to be fought out in the State of Nevada the Republican party believes it can render no higher service to the people than by calling their attention to the imperative necessity which is upon them to demand and secure retrenchment in every department of the State Government. It therefore declares:

First—That the Republican party of Nevada, when it says reform, means it; and that, disgusted with the vague and idle professions by which, year after year, the intelligence of voters has been insulted, their credulity overtaxed, and their long-suffering patience abused, it declares that it is in favor of, and will seek to carry into effect by Legislative enactment the following specific measures of reform and any others that may be developed as salutary:

The reduction of the number of members of the Legislature, and the number of officers and employes of both houses thereof.

Second—It is a well known and universally conceded fact that the existing high rates of State and county taxation now levied and collected are burdensome and oppressive on the people of the State, and thereby tend to discourage immigration and the introduction and investment of capital; therefore, be it

Resolved, That it is the imperative duty of our next Legislature to devote its early and constant attention to reform legislation that such laws may be passed as will bring about a marked reduction in the present expense of running our State and county governments, and by a reduction of the number of existing judicial districts, consolidation of county governments, State and county offices and reduction of salaries of not less than thirty per cent.

Third—That we are in favor of amending the State Constitution, and pledge the Republican party to that method of constitutional reform, so as to limit the regular sessions of the Legislature to forty instead of sixty days, as at present

Fourth—That in view of the fact that necessary constitutional reform can be accomplished by amendments to the State Constitution as speedily and effectively as by a revision of that instrument by a Constitutional Convention—a doubtful experiment under the most favorable circumstances—we hereby recommend the voters of the State to vote at the next general election against calling a Constitutional Convention.

Resolved, That in the mining, manufacturing, agricultural and grazing interests of this State lie the elements of life and prosperity. We therefore pledge the Republican party of this State to legislation tending to the fostering and advancement of these interests.

Resolved, That we with pride point to the administration of President Arthur as a model for the future conduct of this Republic, and we congratulate the Nation upon the eminently successful services rendered by him as President of these United States.

Resolved, That as citizens of the State of Nevada we are proud of the record made by Senator J. P. Jones in the halls of the National Legislature, and as Republicans we congratulate ourselves and our party in having a man at the head of the party in this State whose private life is irreproachable, whose public life is stainless, whose ability is universally recognized, and whose position among the leaders of the Republican party in the Nation and in the Senate of the United States is such as to give any resident of Nevada just cause for pride.

Resolve, That this Convention adopt and endorse as its declaration of principles for the present campaign, the platforms adopted by the National Republican Convention at Chicago, in June, and the Republican State Convention at Virginia City, April 30, 1884; and be it

Resolved, That our representatives in Congress should use all honorable endeavors to secure an appropriation for the purpose of sinking artesian wells, thereby increasing our acreage of farming and grazing lands throughout the State; and be it

Resolved, That this Convention favors and recommends just and generous legislation for the purpose, and to the end, that the great mining industries of the State of Nevada may be strengthened, and the mineral wealth of the Silver State be fully and profitably developed.
